**RALEIGH COUNTY COURTHOUSE & OFFICES TO REMAIN OPEN;
COUNTY COMMISSION ASKS PUBLIC TO UTILIZE SERVICES BY MAIL, EMAIL, PHONE AND WEBSITE**

Due to the growing concern and threat created by COVID-19, the Raleigh County Commission is asking that any business that needs conducted at Raleigh County Offices please be done by phone, mail, email or online. All Raleigh County Offices will remain open during this time; however, in accordance with the most recent guidelines and best practices recommended by health care professionals, the Raleigh County Commission reserves the right to limit any or all functions, activities or departments at any time and as they see fit.

The Glen Daniel Satellite Office will be open on Tuesday’s & Wednesday’s until further notice from 9am-4pm. At this time, they will only be able to accept tax payments by check and will be unable to do DMV renewals. All functions of the Assessors office will remain the same within this location.

Jeff Miller, County Administrator states “The County provides so many essential services that it is near impossible to completely close down all operations within the county without having adverse effects to other operations and/ or businesses that are not within our control. Therefore, we will remain open, HOWEVER, we ask that if you can call us or utilize our services online, please do so to help limit the amount of foot traffic we have in our offices during this time. Our staff is here to help in anyway we can and we are more than happy to assist you by phone or even by email.”

Please use the following list of phone numbers and websites to contact our Raleigh County Offices.

(in Alphabetical Order) In case of an emergency please call 9-1-1.
